# NAVALTA FEMAR M.

## INFORMATION SYSTEMS STUDENT

La Union, Philippines | +63 09954310938 | femarnavalta@gmail.com

## OBJECTIVE

Looking for an entry-level role in IT risk and business continuity, where I can use my background in disaster recovery and security controls to help organizations keep their services running. Hoping to start my career in Japan's IT industry, where I can apply my service management skills, learn from its high standards of quality, and keep improving along the way.
